

**Friends of Ten Mile River Inc.  
a 501.C3 Non-Profit Supporting Ten Mile River Scout Reservation**

The Friends of Ten Mile River (FoTMR) is pleased to announce our 2024 campaign for contributions to fund a new RAVE Sports Aqua Jump, in support of the Greater New York Council's summer camp program at Ten Mile River Scout Reservation. The Aqua Jump (see photo below) is a water trampoline 20 feet in diameter. It will replace a similar item that FOTMR purchased for Ten Mile River nearly 20 years ago.

FoTMR has not asked our members and supporters for annual dues in more than 5 years. Instead, we simply ask that they contribute whatever they feel they can towards our mission. The cost of the Aqua Jump is approximately \$5,000.00. It would be great if through your generosity, we could replace this very popular program item for the summer of 2024. Contributions can be sent to:

**The Friends of Ten Mile River 75
